If your Skype lesson is via a Gift Certificate, it will only be **valid for 1 month per gift certificate from the date of purchase** and cannot be transferred to a third party.

### SKYPE STUDENTS:

**Please make sure you have a strong internet connection and that your Skype is operational if you are new to Skype PRIOR to your lesson time.** I highly recommend that other devices in your home are disabled from the internet during the time of your lesson to ensure the strongest bandwidth for your lesson. If the lesson begins and you are unable to make your Skype function correctly, you will still be charged for the lesson time.

\*If you are not available to answer the Skype call **within 15 minutes of your scheduled lesson time**, your lesson and payment will be forfeited.

All lessons are scheduled in **Eastern Standard Time**

**\*Send Anthony a contact request through Skype to Skype ID: bassology1**

**\*Wait for Anthony to contact you at the appointed time of your lesson.**

### ALL STUDENTS:

It is recommended to have pencil and paper with you, a voice recorder and a mini dry erase board.

For your own practice, I recommend you have a smart phone or tablet with iRealPro app for music accompaniment, Tempo or any other metronome app, and Super Metronome app for drums.

### ILLNESS:

Since I am a professional musician, my livelihood depends on my good health. Illness for me is a major problem, because it means cancelled concerts, lessons and lost income. Please do not come to your lesson if you have a cold or are sick with some other possibly contagious disease. Any scheduled in-person lesson can be switched to a Skype lesson if you are ill and still want to do your lesson.
